**OBSERVED VIOLATIONS**

None

The item(s) listed above were observed by Section staff and require action on behalf of the facility in order to come into or maintain compliance with the Statutes, Rules, and/or other regulatory requirements applicable to this facility. Be advised that pursuant to N.C.G.S. 130A-22, an administrative penalty of up to \$15,000 per day may be assessed for each violation of the Solid Waste Laws, Regulations, Conditions of a Permit, or Order under Article 9 of Chapter 130A of the N.C. General Statutes. Further, the facility and/or all responsible parties may be subject to enforcement actions including penalties, injunction from operation of a solid waste management facility or a solid waste collection service and any such further relief as may be necessary to achieve compliance with the North Carolina Solid Waste Management Act and Rules.

**ADDITIONAL COMMENTS**

On April 1, 2014, John Patrone conducted a comprehensive inspection of the Ricky Beal Grading & Septic Tank Service LLC LCID Landfill on Walter Lambert Road in Goldston, Chatham County.

1. The land clearing and inert debris (LCID) landfill is not open to the general public.
2. Mr. Beal has stated that the LCID landfill is < 2 acres.
3. The LCID landfill contained adequate soil cover.
4. Vegetative material has recently been deposited on site.
5. Per 15A NCAC 13B .0566(4), "Adequate soil cover shall be applied monthly, or when the active area reaches one acre in size, whichever occurs first."
6. Side slopes should be graded and covered with soil such that a 3:1 slope ratio is obtained or a ratio of which no indication of erosion or runoff is observed.
7. Per 15A NCAC 13B .0564(9)(a), "The facility shall meet the following buffer requirements: 50 feet from the waste boundary to all surface waters of the state as defined in G.S. 143-212.
8. Mr. Beal has stated that the LCID landfill is > 50 feet from a small pond (adjacent to the fill area).
9. Per 15A NCAC 13B .0564(9)(b), "The facility shall meet the following buffer requirements: 100 feet from the disposal area to property lines, residential dwellings, commercial or public buildings, and wells."
10. There was no indication of erosion or runoff.
11. Access roads are of all-weather construction.
12. The facility is secured by a steel cable and padlock.
13. Per 15A NCAC 13B .0566(16), "A sign shall be posted at the facility entrance showing the contact name and [phone] number in case of emergency."
14. The facility sign is faded. Please redo.
15. Logs are stored on the property to be given-away for firewood.
16. Inert debris (rock, brick, and concrete block associated with demolition) is stored on site to be sold for reuse.
17. The entrance to the LCID landfill is on the right soon after mailbox 819.
